## New Everclear Hearing Aids can make all the difference.

Dr. Richard Crane, announces the opening of  
Everclear Hearing Aids,  
*a division of Western Wisconsin Ear, Nose and Throat Center,*  
dedicated to hearing aids and evaluation.

**Hearing aids aren't helpful, if people don't wear them.**

New technology, featuring the Destiny and Zon  
(open-fit) hearing aids, offers optimum sound quality  
and performance. No whistling. No feedback.

**Pattie Rogstad**, Hearing Instrument Specialist,  
will work closely with you to select and properly  
fit the correct hearing aid for your life style.
